Great; let me know if you want to have a call to go over anything in the permit.

Hi Chris – Yes, thank you we got it earlier this week. I haven't had a chance to go through it in detail yet, but I will let you know if any questions come up. I think it's probably pretty straightforward though.

Have a good weekend!

Best regards,

Hi Michelle,

I just want to follow-up to confirm that you received the final permit for the Tribal C-13 well? It should have gone out as an electronic transmittal earlier this week.
